CLERK
U.S. BANKRUPTCY COURT
WEST. DIST. OF MICH.

May 1, 2006

Dear Judge Hughes,

I have received letters from Forbes First Financial Corporation's attorneys Andrew Sheir and John Grant of McShane & Bowie requesting sanctions, fees and hearings with regards to my Bankruptcy Case # I think 04 & 05 -15817-jrh. Also letters requesting fees from both Medema Auctions and another law firm Zimmerman Kuhn and Darling in Traverse City.

I am currently a high risk pregnancy and have been advised by my Doctor that I am on bed rest for the next 2 months minimum. My attorney, (I do not have a civil attorney because I cannot afford one) Mr. Craig Frederick, has been talking to and advising Mr. Porter who is the bankruptcy trustee of my situation and I have spoken with him as well. Mr. Frederick has a copy of my Doctor's note if you should need a copy.

Please be aware that I have been cooperating fully with the requests made and have been communicating with Mr. Porter and Mr. Frederick on the status of my health issues regularly.

I am destitute and have been unable to keep a job due to the ongoing investigation because my employers have been visited by investigators. In addition to this, I have received letters from other attorneys seeking to take my car which is my only means of transportation and I do not reside in the state of Michigan.

I will not be able to attend the May 11th hearing due to Doctor's instructions and would appreciate any relief you could provide to me.

Sincerely,

Krista Kotlarz-Watson

cc. Mr. Craig Frederick
